

## **SACRED FAITH CONVERSATIONS**

### OPENING OURSELVES TO GOD THROUGH OTHERS' EYES

#### **AN INVITATION TO JOIN US!**

During this time of pandemic, are you missing connections with others? Are you curious to learn what others think and believe? Would you like more diverse friendships? Would you like a safe place to discuss pressing community issues such as racial justice?

**If so, we are excited to invite you to consider the opportunity to develop interfaith friendships within small groups of persons with diverse beliefs, backgrounds, and races.**

ICI is a group of people of all faiths and we welcome people of all beliefs and backgrounds! For five weeks, we will meet for each week for an hour and a half with new friends to listen and to share how our faith impacts our relationships with the Divine and others. (During this challenging time, the meetings will be held on the social network Zoom). Each week, we will be guided by a unique goal and specific questions provided by our Sacred Friends Community. The questions will encourage our curiosity about each other's faith, cultivate respect for our differences, nurture trust within relationships, and foster openness in sharing. Through these friendships born of diversity, we hope to strengthen our communities by building relationships of trust, collaboratively considering civic issues, enhancing our understanding, and forging pragmatic answers to pressing questions. Our first set of modules will focus not only on building relationships but begin to discuss the timely issue of healing the racial divide.
